# Finishing Well for the Future

Funding Campaign to finish our Building Update & Remodel Project.  
Matching our Building to our Mission.

Summer-Fall 2022

# History

The project began in 2019 with a report from the building utilization team recommending the prioritizes of children's ministries, sound abatement, handicap updates, family bathroom, and kitchen updates while not expanding beyond the current building footprint or incurring debt.

As of June 30, 2022 the status of Our Phased Remodeling Project is:

1. Wall (doors & windows) constructed at the back of the Sanctuary allowing for robust fellowship, and good sound abatement for those in worship.
2. Children's Space and Adult/Library room were switched with improvements made to both areas including flooring, paint & furniture.
3. A folding, sound controlling wall installed between the new adult area and east part of our fellowship hall.
4. New carpet, paint, and LED light fixtures throughout much of the building.

## Ways to Help "Finish Well"

-PRAY for Mission of the Church and the builders and donors.

-Checks can be mailed, brought into the church office or place in blue box. Mark Remodel Fund in the memo.

-GIVE through our online giving portal at [www.firstcovenantchurch.com](http://www.firstcovenantchurch.com).

-Envelopes are provided in the church office or in the Fellowship Hall.

# Funding

THANK YOU!! \$80,000 in contributions have been received towards the remodeling project through June 30, 2022. Those, along with the Legacy Fund match gives us a total of \$240,000. Our current balance in our Building Remodel Fund is \$95,000.

We have approved a \$2 match from our legacy Funds for each \$1 contributed up to \$125,000 or \$250,000 in matching funds. We are very thankful for the legacy gifts and the impact the match has had by tripling the amount of our contributions.

We need an additional \$45,000 in contributions to maximize the approved Legacy Fund match.

How do we get there?

\$45,000

Every gift counts!

1 gift of \$7,500

2 gifts of \$5000

4 gifts of \$2500

8 gifts of \$1000

16 gifts of 500

gifts of \$20 - \$100 totaling \$1500

# Goal

## Finish the project WELL! Materially & Relationally

Raise Additional \$45,000 by September 30, 2022. Which will hopefully coincide with the completion of work on the project.

Maximize the impact of \$\$ spent while enhancing our facilities to support our mission.
